

Gymniks Refund Policy

Refunds are given for medical reasons only, with a doctor's note. Refunds will be on a pro-rated basis, from the day the doctor's note is handed in to the office.

Credit for sessions not yet started may be obtained upon request, and credits can be used for any child in any gymnastics program or birthday party in the facility. Credits for classes already in progress will be pro-rated.

The \$20 insurance fees cannot be refunded or credited under any circumstances.
